Remote Web3: country counts

October 20, 2026 snapshot

Eligible country	Listings	Employers
United States	155	30
United Kingdom	29	4
Cyprus	11	2
Georgia	11	1
Poland	11	4

Explicit-country eligibility only. Multi-country listings count in each named country.

United States

October 20, 2026 snapshot

155

Fully remote listings

30

Distinct employers

Largest explicit-country count. Eligibility follows the role's location, not employer headquarters.

United Kingdom

October 20, 2026 snapshot

29

Fully remote listings

4

Distinct employers

US minus UK: 126 listings and 26 employers.
Eligible locations, not headquarters.

Cyprus

October 20, 2026 snapshot

11

Fully remote listings

2

Distinct employers

11-listing tie: Cyprus, Georgia and Poland. Distinct employers: 2, 1 and 4, respectively.

Georgia

October 20, 2026 snapshot

11

Fully remote listings

1

Distinct employers

Poland also has 11 listings, across 4 employers. Equal volume can hide different employer concentration.

Poland

October 20, 2026 snapshot

11

Fully remote listings

4

Distinct employers

Excluded: 6 worldwide and 180 unresolved-location listings. Multi-country listings count in each named country; totals overlap.
